

Dear Partner,

We are pleased to announce that the application period for Université Paris Cité's Visiting Researchers Program 2026 is now open!

This initiative aims to strengthen international partnerships by inviting researchers from foreign institutions to join us for collaborative projects with our faculty members.

### Program Highlights

- **Objective:** Foster research collaborations between Université Paris Cité and international institutions through joint projects.
- **Duration:** 15 days maximum (extendable up to 45 days in case of co-funding)
- **Timeline:** Stays can take place between January and July or between September and December of 2026.
- **Funding:** Université Paris Cité covers travel expenses and a daily allowance (per diem) for living costs.

### How to Participate

To participate, interested researchers from your institution must establish contact with a faculty member from Université Paris Cité's Faculty of Humanities and Social Sciences. Together, they can jointly set up a project, which must be submitted by a faculty member of UPCité by **March 9th** (4 PM, Paris time).

The call for projects and the application form are available for download on our [website](#).

For further information or to connect with faculty members at Université Paris Cité, please do not hesitate to reach out at [internationalization.sh@u-paris.fr](mailto:internationalization.sh@u-paris.fr).

We look forward to fostering impactful collaborations and advancing research together.

Warm regards,

**Pôle Relations Internationales / International Relations Office**
